EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Daniel Luch on 13 November 2008.

The application has been amended as follows:

In the claims:

- a. In claim 19 at line 4, please delete "at least a portion of" after the word "surface,".
- b. In claim 27 at line 1, please delete "said portion" and insert --portions-- after the word "wherein".
- c. In claim 27 at line 2, please delete the word "is" and insert the word --are-- before the word "adhesively".
- d. In claim 36 at line 1, please delete the word "first" before the word "material".
- e. Please cancel claims 41, 44, 48-51, 61, and 62.

2. The following is an examiner's statement of reasons for allowance:

Instant claim 19 is considered to be patentable over the prior art of record primarily due to the limitation that the first material be positioned over a first surface that

Art Unit: 1795

is formed by a polymeric adhesive. The Lupinski reference neither teaches nor fairly suggests a substrate surface comprising a polymeric adhesive, and no reason to so modify the prior art structure is found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dr. Jeffrey T. Barton whose telephone number is (571)272-1307. The examiner can normally be reached on M-F 9:00AM - 5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nam Nguyen can be reached on (571) 272-1342. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
